

2010 Annual / Event

Sponsorship Information

The Troy Animal Shelter Coalition, Inc. / Pike Animal Shelter, a 501(c)3 nonprofit organization, relies on sponsorships, membership contributions, Founders Society gifts, donations, and memorials to support:

- The construction of a new shelter facility at 800 Henderson Highway in Troy, Ala.
- Animal adoption services for the current city facility, including weekly updates on www.pikeanimals.org and www.petfinder.com
- Animal welfare programs, such as the Kuranda Bed Project, Adopt-Me-Vest awareness equipment, and more
- Quarterly adoption events and educational opportunities in partnership with the City of Troy, including Bow Wow Pow Wow and the Pike Animal Shelter Fur Fest

The TASC/PAS is in official partnership with the city of Troy and when the new shelter is built in the heart of the community on the Henderson Highway, the city animal control officers will be using a clean, modern facility built to current shelter guidelines, rather than the old-style pound currently in use.

With your tax-deductible sponsorship contribution, your business, organization or family will be helping animals, as well as demonstrating your commitment to the progress of our community.

If you desire, you will also receive valuable, permanent publicity throughout the year.

Thank you for considering the level of sponsorship that is right for you. For more information, visit www.pikeanimals.org or talk with any volunteer.

In partnership with the City of Troy, the TASC/PAS works with animal control officers to find forever homes for animals held at the current city facility.
