## Pike Animal Shelter Fur Fest is just around the corner!

The third annual Pike Animal Shelter Fur Fest will be held **Saturday, Nov. 14, 10 am until 2 pm**, at the Troy Recreation Center on Enzor Road in Troy, Ala.

Live music joins the schedule of events for 2009 with the **Johnny Barron Band, J. Harvey Johnson, Erica Franklin and The Park Band** all performing. "There's something for everyone," said Kristin Strickland, public relations coordinator for the event. "We'll have great barbecue as well as games and activities for people and pets of all ages. We'll also be introducing the **2010 Pawprint Commemorative**. For a small contribution, people can imprint their pets' paws on a large art piece that will be installed on the Pike Animal Shelter sign at 800 Henderson Highway throughout 2010."

This family-friendly, pets-welcome event celebrates companion animals and raises funds for the construction of a new, modern shelter facility at 800 Henderson Hwy. in Troy.

Admission is \$3 per person or \$5 per car. All pets must be on leash and have current vaccination tags or proof of vaccination. Shelter dogs currently held by the Troy city pound, as well as by Pike County licensed veterinarians, will be available for adoption.

No animals may be sold or given away by individuals at this event.
